# CHAMPIONS' ARENA

## MANCHESTER - UNITED KINGDOM

We're incredibly proud to welcome the international LudoSport community to the United Kingdom for this year's Champions' Arena 2025. This is the first time the UK has hosted Champions' Arena, and we couldn't be more excited to bring it to British soil and in Manchester - a city known for its energy, diversity, and love of sport.

Champions' Arena is one of the biggest events in the LudoSport calendar, bringing together top athletes from around the world to compete, connect, and celebrate everything we love about the sport. It's more than just a tournament - it's a chance for our global community to come together, share knowledge, and make unforgettable memories.

We've worked hard behind the scenes to create an event that's welcoming, well-organised, and full of opportunities - both on and off the arena floor. Whether you're here to fight, support, judge, or simply soak in the atmosphere, we hope you feel right at home.

Let's make this one to remember. Welcome to the United Kingdom and welcome to Champions' Arena 2025!

# Welcome to Manchester

Manchester is a city full of identity, energy, and culture. Known for its strong character and proud working-class roots, Manchester is the kind of place that leaves an impression on everyone who visits.

## City History:

Manchester played a central role in the Industrial Revolution and helped shape the modern world. Today, the city's old mills and factories have become galleries, bars, studios, and creative spaces. In the Northern Quarter, you'll see Victorian architecture mixed with bold street art, record shops, independent cafes, and live music venues tucked away down side streets.

It is a city that blends the past with the present, without trying to be anything other than itself.

## Culture and Community:

Manchester is known for being diverse, progressive, and unapologetically independent. This is the birthplace of the suffragette movement, the home of iconic bands like Oasis and Joy Division, and a hub for innovation in science, tech, and the arts.

If you have time to explore, check out:

- Manchester Museum or the Science and Industry Museum
- HOME, a venue for independent film, theatre, and visual art
- The Whitworth, an award-winning gallery set in parkland

## A Sporting Powerhouse:

Sport runs deep in Manchester. It is home to two of the most famous football clubs in the world, and has a lot of history in everything from cycling to MMA - including current UFC heavyweight Champion - Tom Aspinall.

The city lives and breathes athletic competition.

That makes it the perfect stage for Champions' Arena 2025. Whether you're stepping into the arena or cheering from the sidelines, you're part of a city that knows what competition means.

## Food, Nightlife, and Local Favourites:

When the matches are over, Manchester is just getting started. You can grab late-night food on Curry Mile, sip craft beer in Ancoats, or explore the food halls and cocktail bars around Deansgate and Spinningfields.

You'll find something for every taste and budget, from traditional pies and pints in an old pub to vegan street food or high-end dining in a rooftop restaurant. The city's nightlife is vibrant but relaxed, welcoming locals and visitors alike.

# Travel to Manchester

## ALL THINGS TRAVEL

Whether you're flying in from abroad or coming from another UK city, getting to Champions' Arena 2025 is straightforward. Manchester is well connected and compact, with plenty of public transport options once you're in the city. Below are your main options for getting to the event venues:

### From Manchester Airport

Manchester Airport is around 9 miles from the city centre and serves flights from across Europe and beyond.

To reach the city from the airport:

- **Train:** Direct trains run from Manchester Airport to Manchester Oxford Road or Manchester Piccadilly (20–25 minutes). From there, you can connect to buses, trams, or taxis.
- **Taxi or Uber:** Around 25–30 minutes to Platt Lane or Black Friars, depending on traffic. Cost: approx £25–£35.
- **Bus:** The 43 bus runs frequently between the airport and central Manchester. It's slower (~60 minutes) but cheap.

### By Train (UK Travel)

Manchester is served by three main city-centre stations: Manchester Piccadilly, Manchester Victoria, and Oxford Road.

- From London: 2 hours via direct train from London Euston
- From Birmingham: 1 hour 30 minutes
- From Liverpool: 50 minutes
- From Leeds: 1 hour
- From Glasgow/Edinburgh: 3–3.5 hours

Booking tip: Use National Rail, Trainline, or Split My Fare for the best deals.

Advance tickets are usually cheaper.

### Getting Around Manchester

Once you're in Manchester, getting around is easy with The Bee Network. Transport for Manchester

**Trams (Metrolink):** Fast, regular, and ideal for moving between city zones. Most lines run through the city centre. Tap-on-tap-off using contactless cards or phones.

**Buses:** Bee-branded yellow buses now operate on a growing number of routes across Greater Manchester. These are capped at £2 per trip and accept contactless.

**Uber/Taxi:** Uber is easily accessible and is the easiest option to get around.

# VISA & Entry Requirements

## ETA & TRAVEL

An electronic travel authorisation (ETA) lets you travel to the UK for tourism, visiting family or certain other reasons for up to 6 months. It is **IMPORTANT** to get this.

An ETA costs £16.

Other websites may charge more to apply.  
Avoid websites that imitate government services.

*An ETA does not guarantee entry to the UK.*

Who needs an ETA:

Most visitors travelling to the UK need an ETA or a visa. What you need depends on:

- Your nationality
- Why you're coming to the UK

Check if you need an ETA or visa to come to the UK

There are some people who do not need an ETA, for example if you have:

- A British or Irish passport
- Permission to live, work or study in the UK

If you're travelling as a family or group:

Each person travelling needs an ETA, including babies and children.

We advise using the official GOV.uk website embed link below.

***You usually need an ETA rather than a visa if you're from Europe, the USA, Australia, Canada or certain other countries.***

An Electronic Travel Authorisation (ETA) is valid for 2 years and allows you to travel to the UK for tourism, visiting family, or other specific purposes, for stays of up to 6 months at a time.

**Valid for two years! Perfect, because Reignite the Light 5.0 is at the end of January!**

European citizens need a valid passport and an approved ETA to enter the UK.

The ETA is electronically linked to the passport used during the application, there's no need to print anything, but always helpful to have a back-up!

Apply in advance — most applications are processed in minutes, but approval can take up to 3 working days.

You can also apply using the Official UK ETA mobile app, which works well and is easy to use.

It's available for iOS and Android.
